RE: VERY IMPORTANT INFORMATION
SCHOOL CLOSING
VOL 1 # 3

Dear Parents,

Saint Jerome School will be closed from Monday, March 16, 2020 to Friday, March 27, 2020, All activities are cancelled for both school functions and Religious Education. This includes all softball practices. Let me be clear. We have no cases of corona virus in our school.

Enclosed you will find the letter from Joann Tier, Superintendent of Catholic Education who has made this decision. It is important that you read it carefully. Today, you received a Honeywell blast. Your children will bring home school work to complete during the next two weeks. Each packet has instructions from the teacher. Please follow directions.

Yesterday, I asked that you complete a yellow form and return it today. Unfortunately, not all completed that task. We are updating our databases according to the information on the yellow sheets. Please scan and email the information sheets to edalessio@saintjermeschool.org or fax them to 732.263.0343.

The lunch program will move from the current two weeks to March 27th. If you have paid the children will have their lunches on beginning on Monday, March 27, 2020.

This morning, Father PJ met with the students and had a prayer service before the Blessed Sacrament. Your children were so receptive. We remind you to pray with your children on a daily basis for all those who are ill and all healthcare providers including our first responders. Father suggested that the children pray daily the Our Father.

As I learn more information, I will keep in touch with you through the school website, email and Honeywell blasts. Thank you for your cooperation. Please remember, I am the only one that can give you correct information. My cellphone number is 908.770.7870.

Be assured of Father PJ, Sr. Angelina, Sister Elizabeth and my prayers for all of you.

God bless you.
