  In early March, children in Italy began the quarantine. In order to communicate with their friends and other Filippini schools in Italy, the sisters, teachers and students took to the Internet. Across the miles, a friendship begins...

Distant but United! Peace!

Saint Jerome School began the quarantine on Friday, March 13, 2020. The Italian children reached out beyond Italy and reminded all of us we may be distant but we are all united! Below, the Hennelly children on behalf of the Saint Jerome children responded to our Italian companions across the sea!
